Notes!

- 1. Cup match dates take preference over League matches (Rule 17)
- 2. Handicaps (to suit each teams divisional placing Rule 20) will be determined after the results from matches played during w/c 15 May and teams drawn at home will be advised of the match handicaps over the weekend of 20 / 21 May. The initial team handicap is carried through the comp
- 3. Teams drawn away from home will have an extra 8 points added to their handicap (Rule 20) unless both teams use the same green
- 4. Captains decide first use of four jacks by toss of a coin (Rule 21)
- 5. Cup games decided on aggregate only. In the event of a draw, the team with the greatest handicap (excluding the away allowance) shall be the winner (Rule 21)
- 6. No player who has taken part in this years competition can play for another team and players appearing in the semi-finals and final must have played one League match for their team (Rules 22 and 23)
