Divisional Cup Rules

Handicaps to be published Tues 1st Aug

- 1) Handicaps are 'pro-rata' to the points accrued in the Final Divisional Table. NB! Unless on a shared green, away teams have an additional allowance of +8!
- 2) Based on aggregate scores alone, there will be 4 points for a win plus a bonus point for each 10+ chalk difference in scores, e.g. 1 pt for 12 diff, 2 for 23 diff.
- 3) In group stage, 2 points each for a tie but, if the final is tied, the team with the greatest handicap shall be the winner (Rule 21)
- 4) Tied points positions in Final Cup Table will be decided on 'head to head' result. If that was tied, team with greatest handicap shall be the winner (Rule 21)
